

# THANKS TO OUR PARTNERS

*Dr. Brooks receives cheque from Calgary South Rotary*

## Calgary South Rotary

In May of this year, Dr. Brooks was presented with a cheque for \$10,000 which represented the Calgary South Rotary's matching contribution for the purchase of a second CD 4 counter. This medical equipment, which will be purchased for the Kasese centre will accurately count the CD4+ T-lymphocytes and CD4 percentages among lymphocytes (CD4%) in routine HIV monitoring and AIDS patient follow-up for both, adults and children.

*Malawian dignitaries attend Lifeline Kasese Center Grand Opening*

## E.C.L.T and TECS

In June, Lifeline Malawi staff (past and present) were in attendance at the Official Opening of our second rural Health Centre at Kasese. Thanks to the partnership with TECS (Together Ensuring Children's Security) and funding from the E.C.L.T. (Eliminating Child Labour in Tobacco) Foundation, Lifeline Malawi is now treating an additional 3,000 + patients per month in the tobacco growing regions of Dowa and Kasungu.

*Lifeline Malawi display is nestled amongst ultra luxury vehicles*

## Rockpointe Church Calgary

One Sunny summer afternoon in Calgary, Alberta brought over 150 curious ultra luxury sports car enthusiasts to the "Wheels for the World" event sponsored by one of Rockpointe Church's Compassion in Action groups. Lifeline Malawi is one of four (4) international charities that will be benefiting from the funds raised through this initiative. Our portion of the funding will be used to purchase a portable LED X-ray machine.

*John Duwa proudly displays the CD4 Counter donated by ICross*

## ICross

In August, after many delays and with much anticipation, the staff at Ngodzi watched the arrival and unloading of a second container from ICross. Donated medical equipment, clinical furniture, medical supplies and linens were allocated between our two (2) sites. For the staff, it was like Christmas, as donated clothing and household items were distributed to everyone. Previously this year, ICross had presented Lifeline Malawi with a cheque to purchase our first CD4 counter.

*Future Beneficiaries of Lifeline Malawi's Maternity Program*

## C.M.D.S. (Christian Medical & Dental Association)

In September, Lifeline Malawi signed a Memorandum of Understanding with C.M.D.S. which will allow for a multi-phase approach of our Maternity Program. This partnership will provide the additionally leveraged operational funding needed to begin a Mother and Child Program, directed at the impoverished citizens of rural Malawi, who cannot avail themselves to other sources of healthcare. Current statistics in Malawi indicate that 1,800 women per 100,000 die in childbirth (compared to 6 per 100,000 in Canada).

## Upcoming Events

POWER OF **1**  
**one**

The Board of Directors of Lifeline Malawi Association

### Aeroplan to Africa Campaign

During the month of November, make a world of difference... Aeroplan Mile by Aeroplan Mile

Aeroplan is all about living your life to the fullest. Here's an opportunity to enrich the lives of others less fortunate than you. Even a small donation of Aeroplan Miles to Lifeline Malawi can make a world of difference. Your contribution will allow staff and short term mission volunteers to travel to Malawi to assist the Field staff in bringing life transforming hope and healing to the rural citizens of this impoverished country suffering through this HIV/AIDS pandemic.

Please visit [www.aeroplan.com/use\\_your\\_miles/donate\\_miles](http://www.aeroplan.com/use_your_miles/donate_miles). to make your donation or call (403) 214-7780 for more information.

Donation pledge forms can also be downloaded from the Lifeline Malawi web site at [www.lifelinemalawi.com](http://www.lifelinemalawi.com)
